Sara

Sexy Next-door Neighbor

Sara believes there are few things as tacky as tan-lines. While she understands that some might find them sexy, she prefers the more natural all-over bronzed look. Which means that when she soaks up rays, which she does frequently, she's doing it in the buff. She's never been self-conscious about her body, and she has no reason to be, considering her measurements. And if the neighbors get an eyeful every once in a while, where's the harm in that.

Some men just aren't content to look though. It's hard to stumble across a naked woman who looks like this and not want to do very nasty things to her.

Sara realizes she's probably asking for it, so doesn't mind dishing out some neighborly favors if she's in the mood to play.

She's gotten more adventurous with age, so random hook-ups are nothing out of the norm, even if they are with her next-door neighbors' husbands.

There's no way you're going to pass up
an opportunity as good as this.

Are you a good neighbor?

Ice

Keeping Up the Family Business

Ice comes from a long line of strong, independent women, with particularly inventive ways of making a living. Ice grew up knowing that her mother made a living on her back, taking after her mother before her. While Ice never saw her mother at work, sex was a normalized part of her existence, so it made sense that she would continue the family business. With her spicy roots, she's done very well for herself over the years, and better yet, she's the one who makes the rules.

She knows that she won't be able to do this forever, age being a bit factor for women in this particular line of business. But she's taken care of herself, so she's still able to lure in clients aplenty.

Though she's full-service, she's especially known for her fine oral skills. With no gag reflex, she can swallow just about anything.

She enjoys keeping things fresh - even after all this time, she's still finding new ways to give men pleasure, in every possible way.

Ice is waiting for your call; her boudoir
is always open for business.

"No, it's not right!"

Claire's long fingernails bit into my erection, jerking me up against her. "She loves it!" the long, lean blonde hissed in my ear, tits pressing into my back. "Your wife loves sucking my husband's big, black cock. Look at her!"

I looked. I had to, standing there in our bedroom, naked, Claire's nude body tight against mine, stroking my cock, as my wife, Suzie, knelt down on the carpet next to our bed and sucked Darnell's huge, blue-black dong into her mouth.

She gasped, choked, tears streaking mascara down her cheeks, as she moved her head back and forth, blowing that monster cock. Her pale hands gripped the man's powerful thighs, her red-painted lips sealed tight to his veined shaft, pulling urgently on the gleaming dark meat.

Darnell grinned and dug his long, black fingers into my wife's short, brown hair and jerked her head forward, brutally driving his cock deep into Suzie's bulging mouth and throat, right down to the pubescent balls.

"Oh, Jesus!" I groaned. "Please, it's too much!"

"Your wife doesn't think it's too much," Claire breathed. "She wants to suck on Darnell's cock until he sprays hot cum into her mouth."

Suzie urgently tugged on the man's glistening black snake, head bobbing, pulling Darnell forward with the strength of her ardent cocksucking. So intent on pleasuring him, deep-throating him, that

MY WIFE, THE SLUT

she completely ignored her husband getting jerked off by the guy's wife only ten feet away.

Tears welled in my eyes, watching my slut of a wife devour another man's cock. But my own prick in Claire's swirling hand lengthened, hardened, the woman's soft, warm palm gliding up and down my throbbing shaft, flooding me with heat and self-hate. She slid her other hand up onto my heaving chest, rolled my buzzing nipples between her deft fingers.

"Oh, Jesus, yes!" I moaned, unable to control myself, or the situation.

Darnell pumped his hips, fucking my wife's mouth with his dong. As I pumped my hips, shooting my cock back and forth in the heated tunnel of his wife's hand.

Saliva lined down out of the corners of Suzie's overstuffed mouth and her nostrils flared with the desperate struggle to draw air into her lungs, all that ebony meat cramming her mouth and throat. Then she gasped, gushed spit, when Darnell abruptly yanked his cock out of her mouth and slapped her face with his heavy meat.

"Time to fuck another hole, bitch!" he growled.

She stared up at him and his thunder-cock, swallowing, her brown eyes shining, willing to do anything he asked. He grabbed her by the arms and jerked her upright, tossed her naked body onto our bed. Her large breasts jumped and splayed. And she spread her legs. The bitch!

"She's begging for it, Glen!" Claire whispered into my burning ear, one hand ringing my surging dick, other pulling on my nipples. "She's begging to have my man fuck her with his big, black cock!"

I groaned, watching as Darnell walked over to the side of the bed, his nightstick

bobbing. He grabbed up Suzie's shapely legs and pulled her close. And my wife eagerly reached down and spread her pussy flaps, exposing her pink to the man.

Her husband smiled and drew back his hips, aimed. Then thrust forward, spearing his cock into my wife's waiting hole. His bloated hood plunged inside, shaft sinking deep. Suzie and I both moaned.

Darnell gripped my wife's fleshy thighs and churned his cock back and forth in her stretched-out pussy, shunting her to and fro on the bed. As Suzie grabbed up her tits and hung on for the ride, writhing with delight on the end of the man's pumping pole. As Claire slid her hand down off my chest and grasped my balls, my cock pumping in rhythm to her fucking husband.

"Oh, God, yes! Fuck me!" Suzie wailed. She rolled her head back and forth on the bed, pulling on her stiffened nipples, thighs and body shivering with every savage thrust of Darnell's dong.

"You slut! You fucking cock-loving slut!" I screamed at her.

But I didn't move an inch closer, didn't do a thing to stop my wife getting split in two by that man's axe. Because Claire's hands all over my cock and balls, her naked body against mine, were just too sexually powerful to break free of.

"Like it in your cunt, huh, bitch!?" Darnell hissed through his clenched white teeth, pistoning Suzie's pussy. "How 'bout in your ass?"

Suzie instantly spun around on Darnell's cock and scrambled up onto her hands and knees, presenting her mounded bottom to the man. He pulled his dripping dong out of her twat and smacked her thick, creamy-white cheeks with the pussy-slick club, before gripping her waist and sticking his shiny hood in between her buns.

"Fuck my ass!" Suzie cried, shoving backwards, impaling her anus on the man's

cock until his muscled thighs banged up against her butt cheeks, licorice stick buried in her ass.

Suzie arched her back and neck, her lush body quivering, and Darnell grabbed her by the neck and swarmed his thick, neon-pink tongue into the side of her gaping mouth. Pumping his hips, thumping her ass, churning her chute.

It was too much, even for me. I grabbed Claire's arm and spun her around, out in front of me. I shoved her down onto the carpet. She opened her mouth, daring me with her blazing blue eyes, and I rammed my cock into the wet-hot cauldron of her mouth.

"See what I'm doing, slut!" I howled at my wife, clutching Claire's silky hair and pistoning her mouth.

But my wife didn't see, or hear, unconscious with the wanton pleasure of getting her ass violently reamed by Claire's husband.

The blonde's head bounced back and forth on the end of my cock, like Suzie on the bed, as I plunged her throat repeatedly. But her eyes didn't water and she didn't choke, obviously used to having large cocks fuck her cameo face. She drew her glossy lips back and showed her teeth, scraping them along my thrusting shaft.

I swore, and pulled her to her feet, shoved her backwards onto the bed. I mounted her. And only inches away from my wife getting ass-fucked by the woman's husband, I fucked his wife, pumping Claire's hot, juicy pussy for all I was worth, all over the squirming blonde.

She sucked on my tongue, the classy bitch. Suzie's glazed eyes met mine momentarily, her eyelids fluttering, as Darnell drove her ass even harder. Her mouth open and closed, but no words came, her face contorted with wicked passion.

The bed rocked and slammed against the wall, buffeted by the frantic cross-cur-

rents of two husbands fucking two wives – each other's – pussy and ass.

"Shit, baby, I'm gonna come!" Darnell shouted, hammering Suzie's bum.

I scrambled up and flipped Claire over, stuck my slippery cock in between her taut buttocks. She instantly reached back and clawed her cheeks open, yelling, "Fuck my ass like Darnell's fucking your wife's ass!"

I plugged my cock into her gaping pink hole and plummeted full-length into her anus, piling over top of her again, from behind. "Jesus, yes!" I cried, pumping the woman's hot, gripping asshole.

Darnell tilted his head back and roared, his dong exploding in Suzie's ass. He jerked, jolted by orgasm, steaming semen up against my wife's bowels. As she frantically rubbed her button and cried out for more.

I pounded into Claire, poling hard and deep, her bottom and body shivering. Sweat poured off my face and down onto her golden hair, and she bit into the bedspread, whimpering at every violent thrust of my cock into her ass.

Darnell stumbled backwards, out of my wife's bum. And Suzie screamed in my face, "Come in my mouth, and her mouth, Glen!"

My balls boiled over. I pulled out of Claire and jumped to my knees, jammed my cock into Suzie's waiting mouth. Just in time.

I bucked, blasted, overcome with mind-blowing orgasm, spraying hot semen right down Suzie's throat. I rocked backwards, but my wife held me up by the spurting cock, her throat working, swallowing my cum. Before she pulled my hose out of her mouth and stuck it in Claire's, the blonde getting a mouthful of my heated seed.

Thank God I came home when I did.

Kimberley

Keeping Herself Busy

Kimberley had too much time on her hands. She'd had a good job, but when her company was bought out, she became a redundancy. Her husband made enough that she didn't actually need to work, so there was no pressure to find a new job. She'd always thought that she wouldn't mind having a little less stress in her life, but after a few weeks at home, she was going nuts. There was only so much housework she could do and, beyond that, she was simply bored.

She found herself thinking more and more about sex. While she and her husband had a decent enough sex life, she wanted something more, to go along with her newfound freedom.

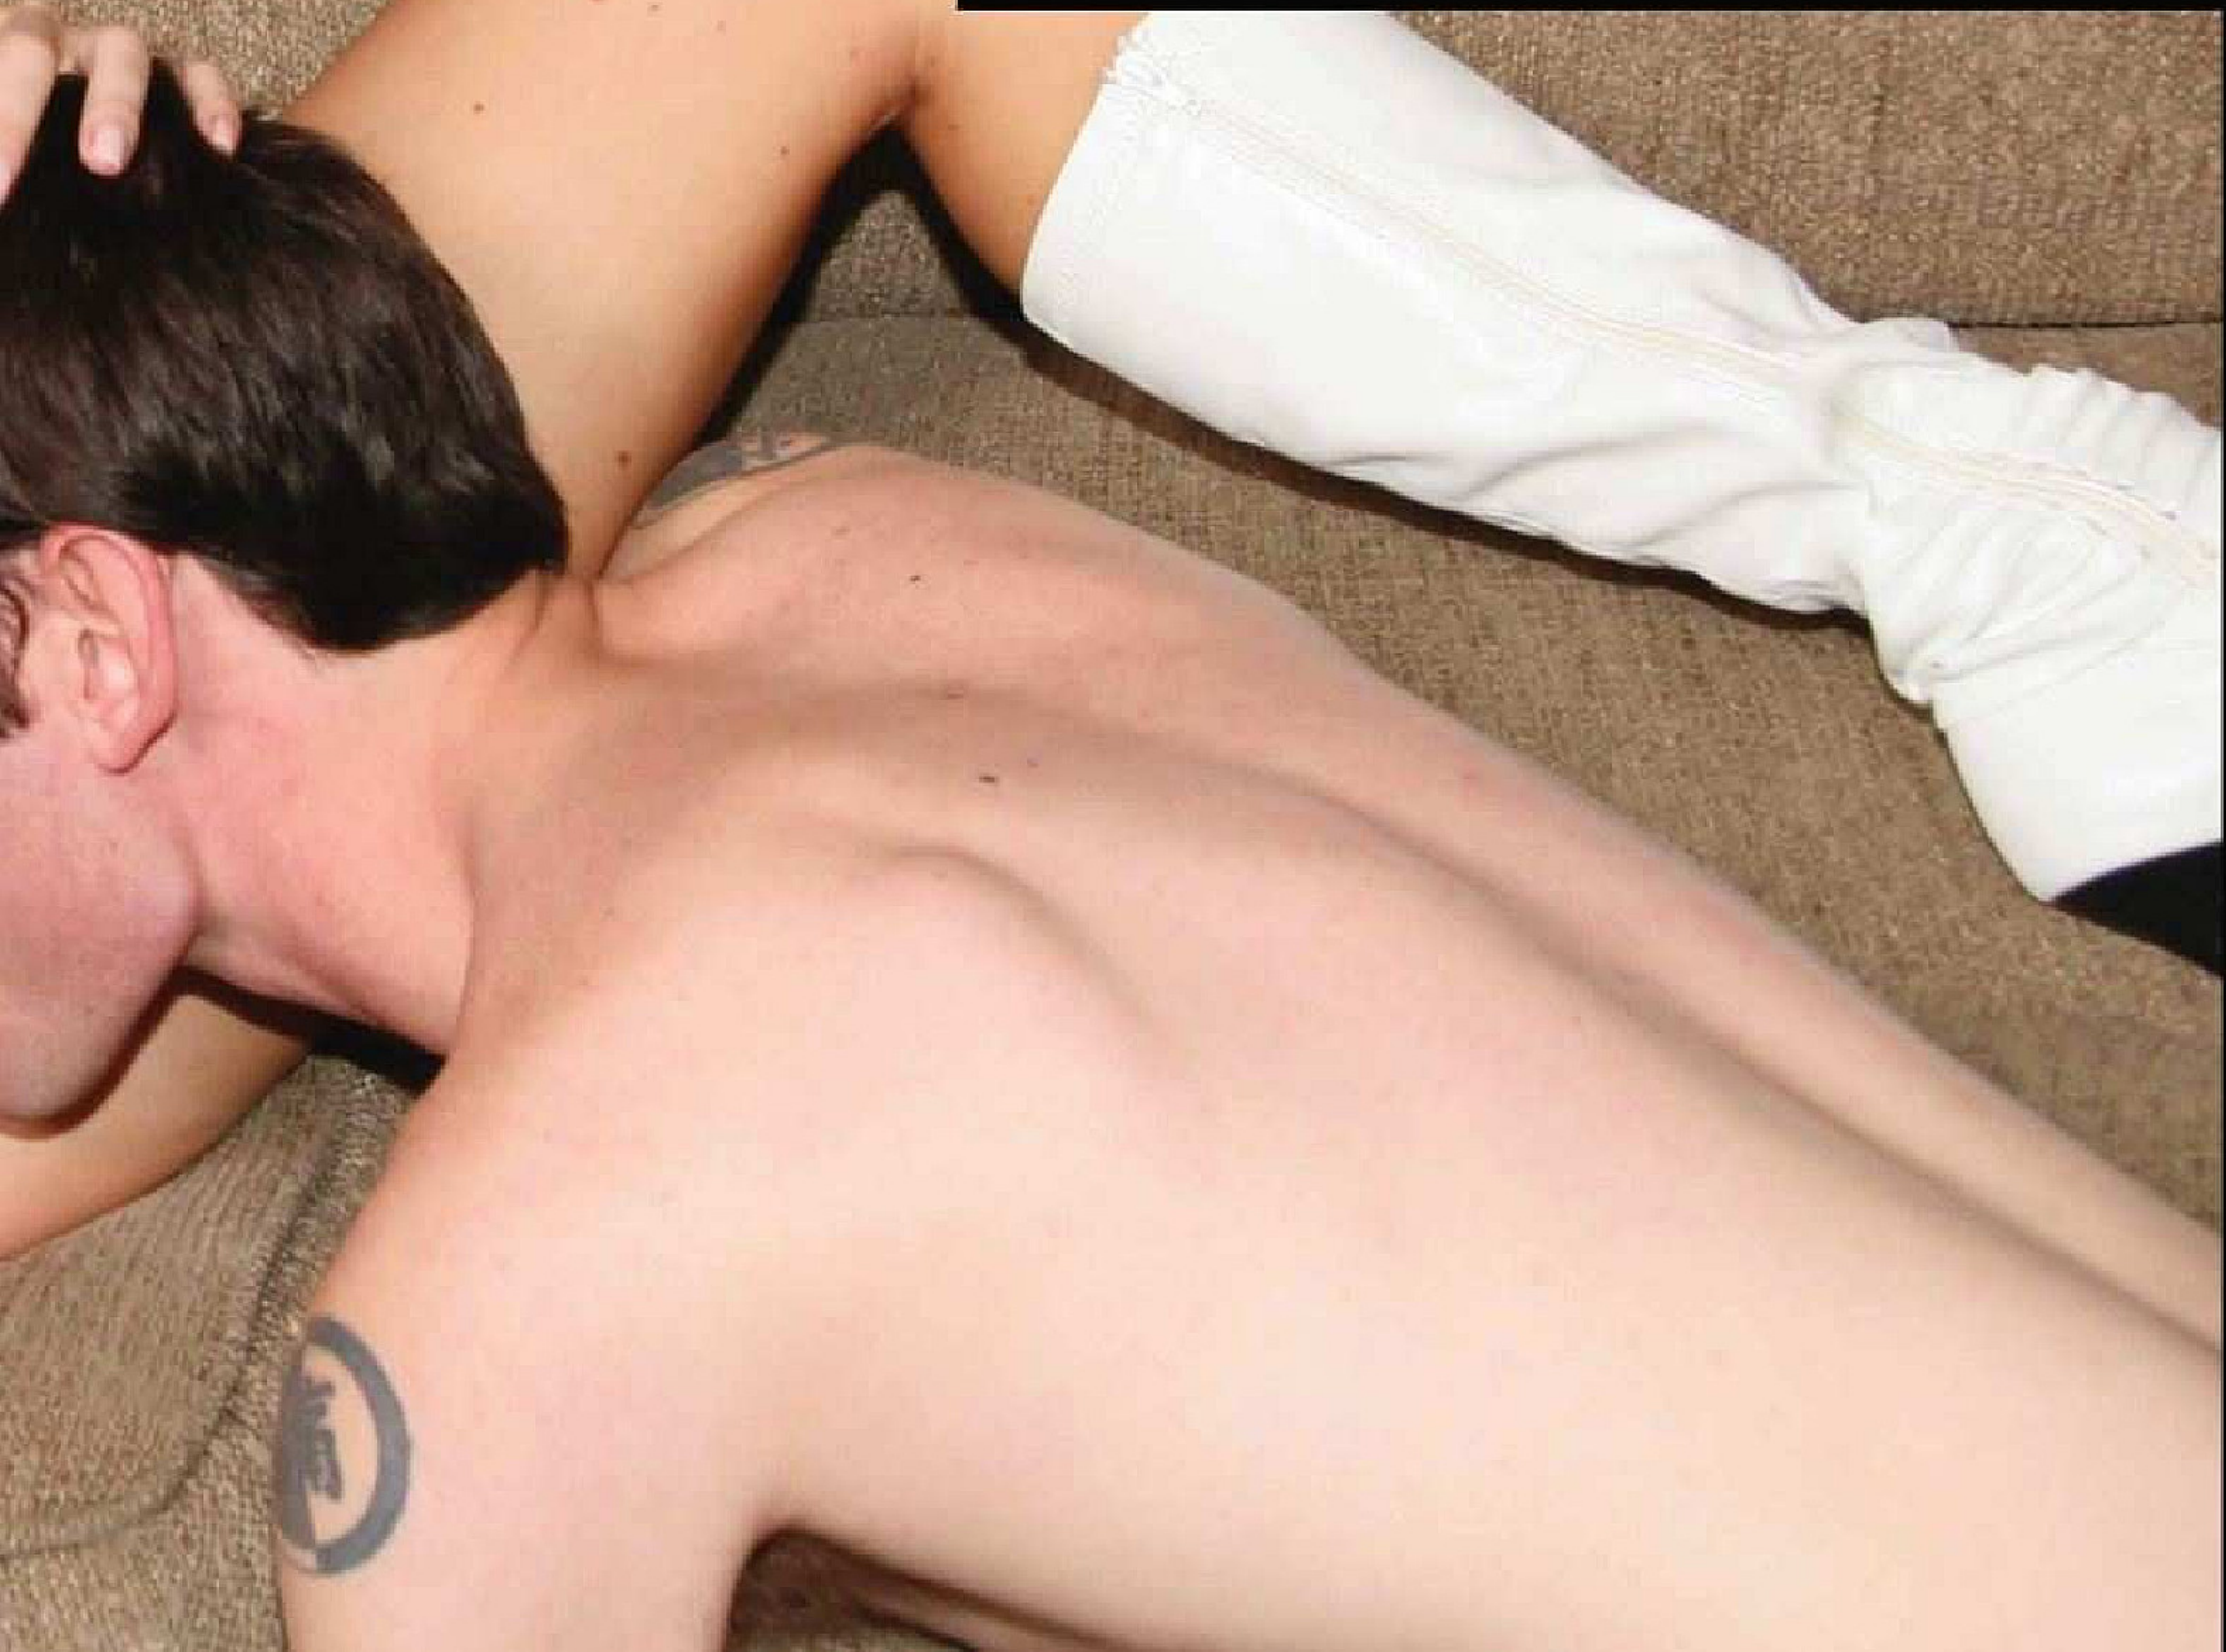

She wasn't above bribery, and it didn't take much to lure over the neighbors' ne'er-do-well son to keep her company.

A photograph of a woman with long dark hair lying on her back on a beige couch. She is wearing a grey long-sleeved shirt pulled up to her shoulders, revealing a black strapless bikini top and a long pearl necklace. Her mouth is open in an 'O' shape, and she has a surprised expression. A man with dark hair is lying on his side next to her, kissing her neck. His hands are resting on her chest and shoulder. To the left of the woman, a blue and black patterned cloth and a black high-heeled shoe are on the couch. The background shows a white wall and a doorway.

Turns out that what he lacked in work-related motivation, he made up for in other ways.

Kimberley was impressed, though given how horny she was, it didn't take much to make her cum... and then cum again.

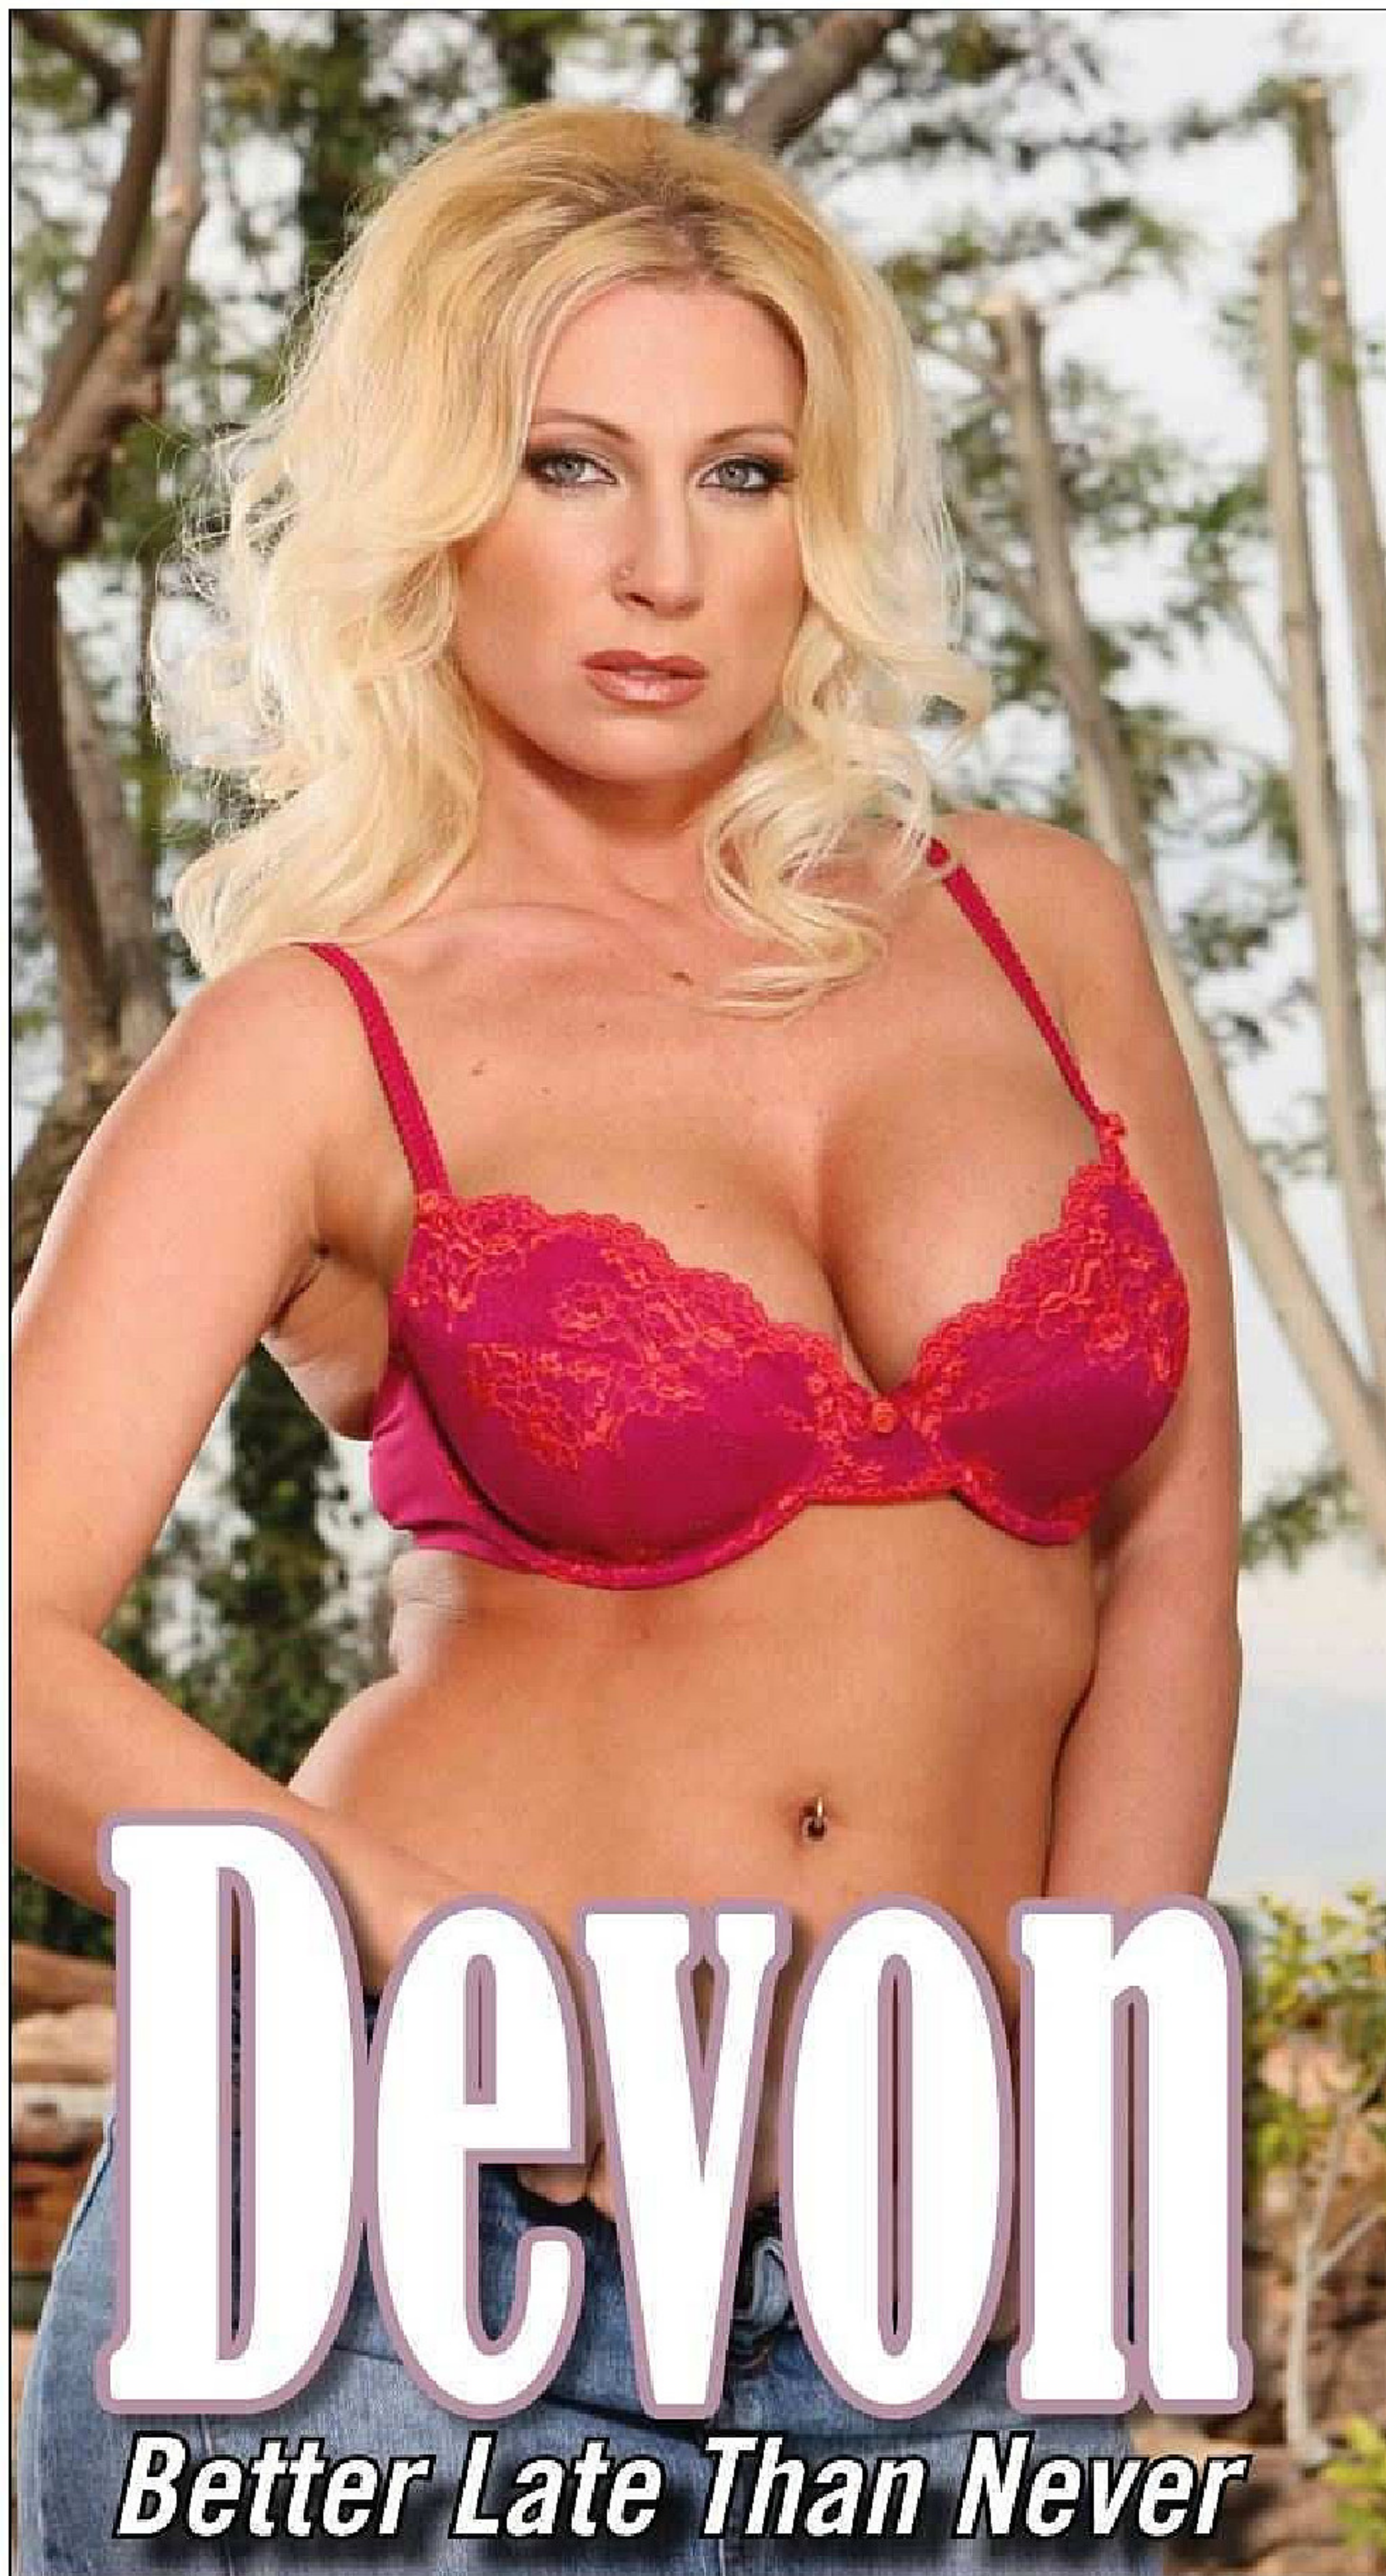

This could be the start of a very good thing. Would you like to keep Kimberley company?

When Devon isn't busy fucking rich and famous celebrities, she's busy fucking pretty much anyone else. She hit her sexual prime later than some, and since then, has made a habit of keeping her slot filled. Her husband doesn't mind her indulging her compulsion, as she allows him to stray as she chooses. She never even considered monogamy as a practical option and isn't ashamed to call herself a slut.

She's the stereotype of the over-sexed mature woman, but she doesn't care about labels. All she cares about is taking care of her needs.

Though she can be a bit bossy about what she wants, it's only because she knows exactly what she wants. Life's too short for mediocre sex.

And what she wants is a thorough sex-
ing, none of that half-assed lovemak-
ing. When she gets screwed, she wants
to feel the burn.

Her holes are so warm though that she's not the only one feeling a burn. Once she gets going, she holds nothing back.

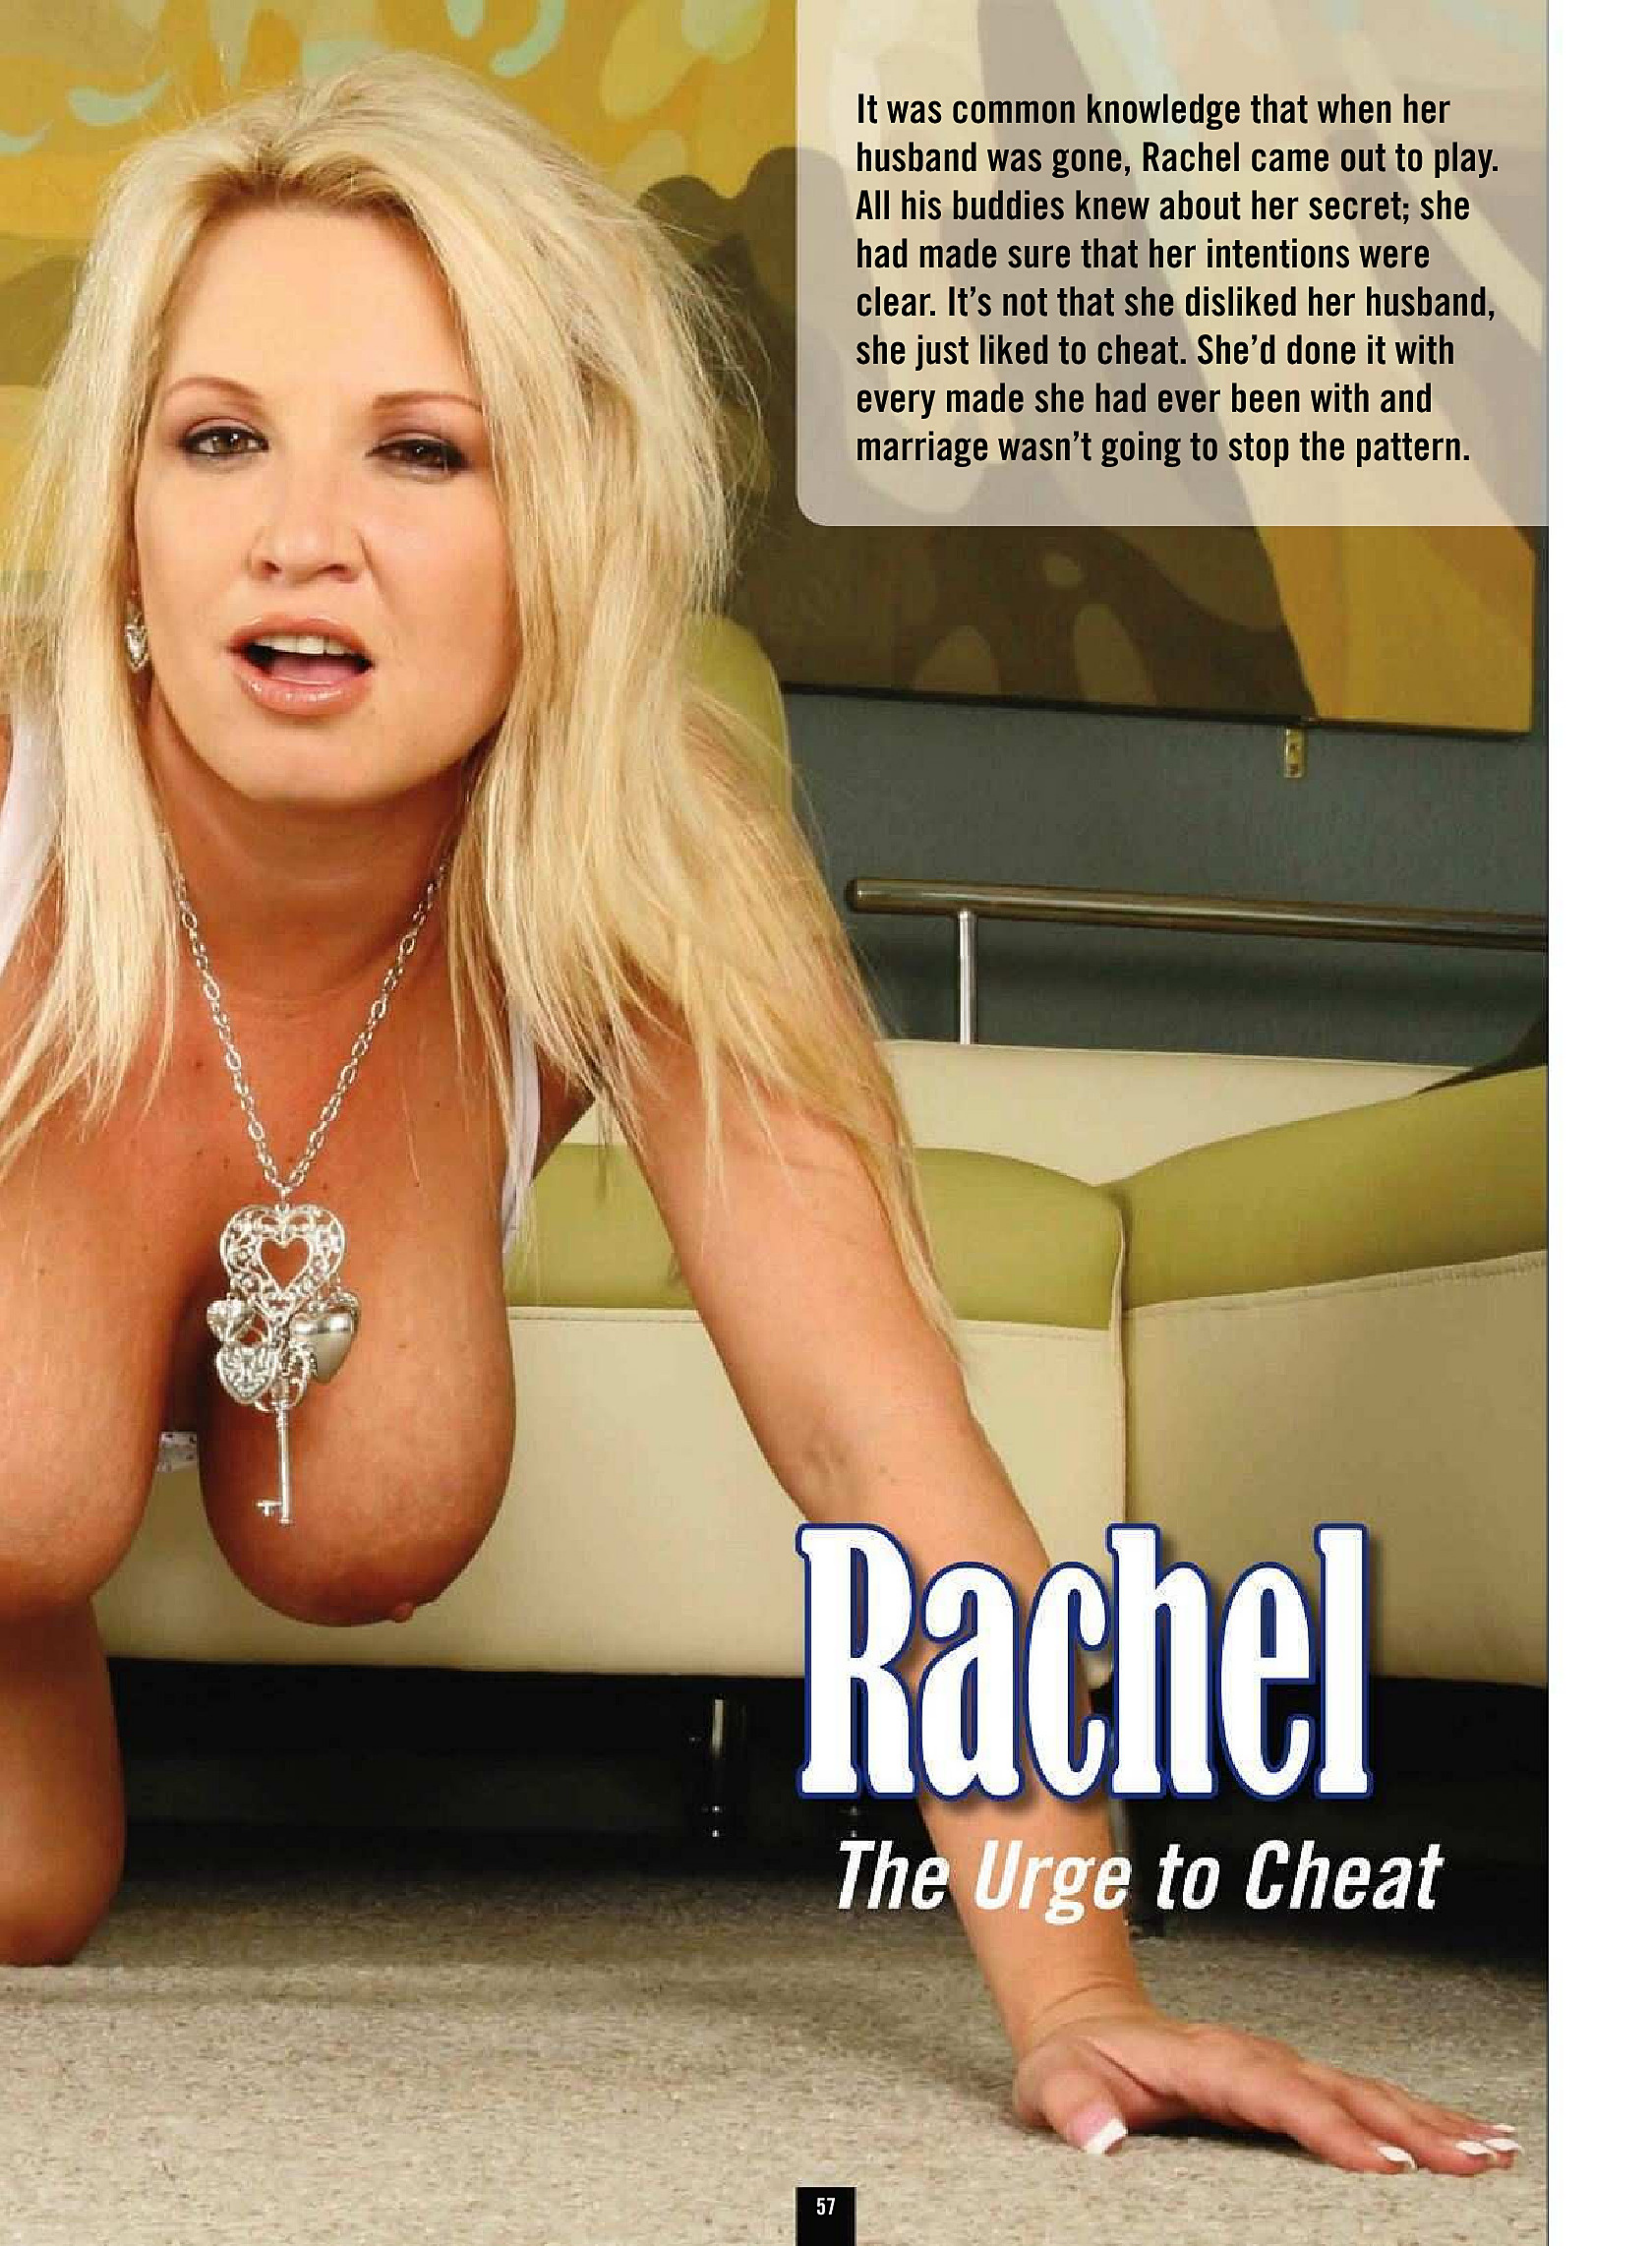

Do you have what Devon needs?

It was common knowledge that when her husband was gone, Rachel came out to play. All his buddies knew about her secret; she had made sure that her intentions were clear. It's not that she disliked her husband, she just liked to cheat. She'd done it with every man she had ever been with and marriage wasn't going to stop the pattern.

Rachel

The Urge to Cheat

When he was out of the house, she'd hit any of the several numbers on speed dial and leave the door unlocked, making sure she was good and ready.

Not that it took

Carolyn

Single and Looking

Carolyn met her current fling online. When her husband left, she was more relieved than upset. For a long time, he'd been more trouble than he was worth, so this allowed herself to start fresh. The dating scene had changed quite a bit over the years and she wasn't really comfortable picking someone up at a bar. Still, she had urges and finding a man, or men, was a necessity. Online dating allowed her to keep her anonymity for as long as she wanted, while providing her with plenty of steamy cybersex.

Fantasies can only go so far though, and Dave seemed like a nice guy. In this case, reality was much better than fantasy.

It had been a very long time since she'd had satisfying sex and Dave was attentive, though just about anyone would have been better than her ex.

She didn't feel shy at all, in fact, all she could feel were all sorts of strange sensations running through her.

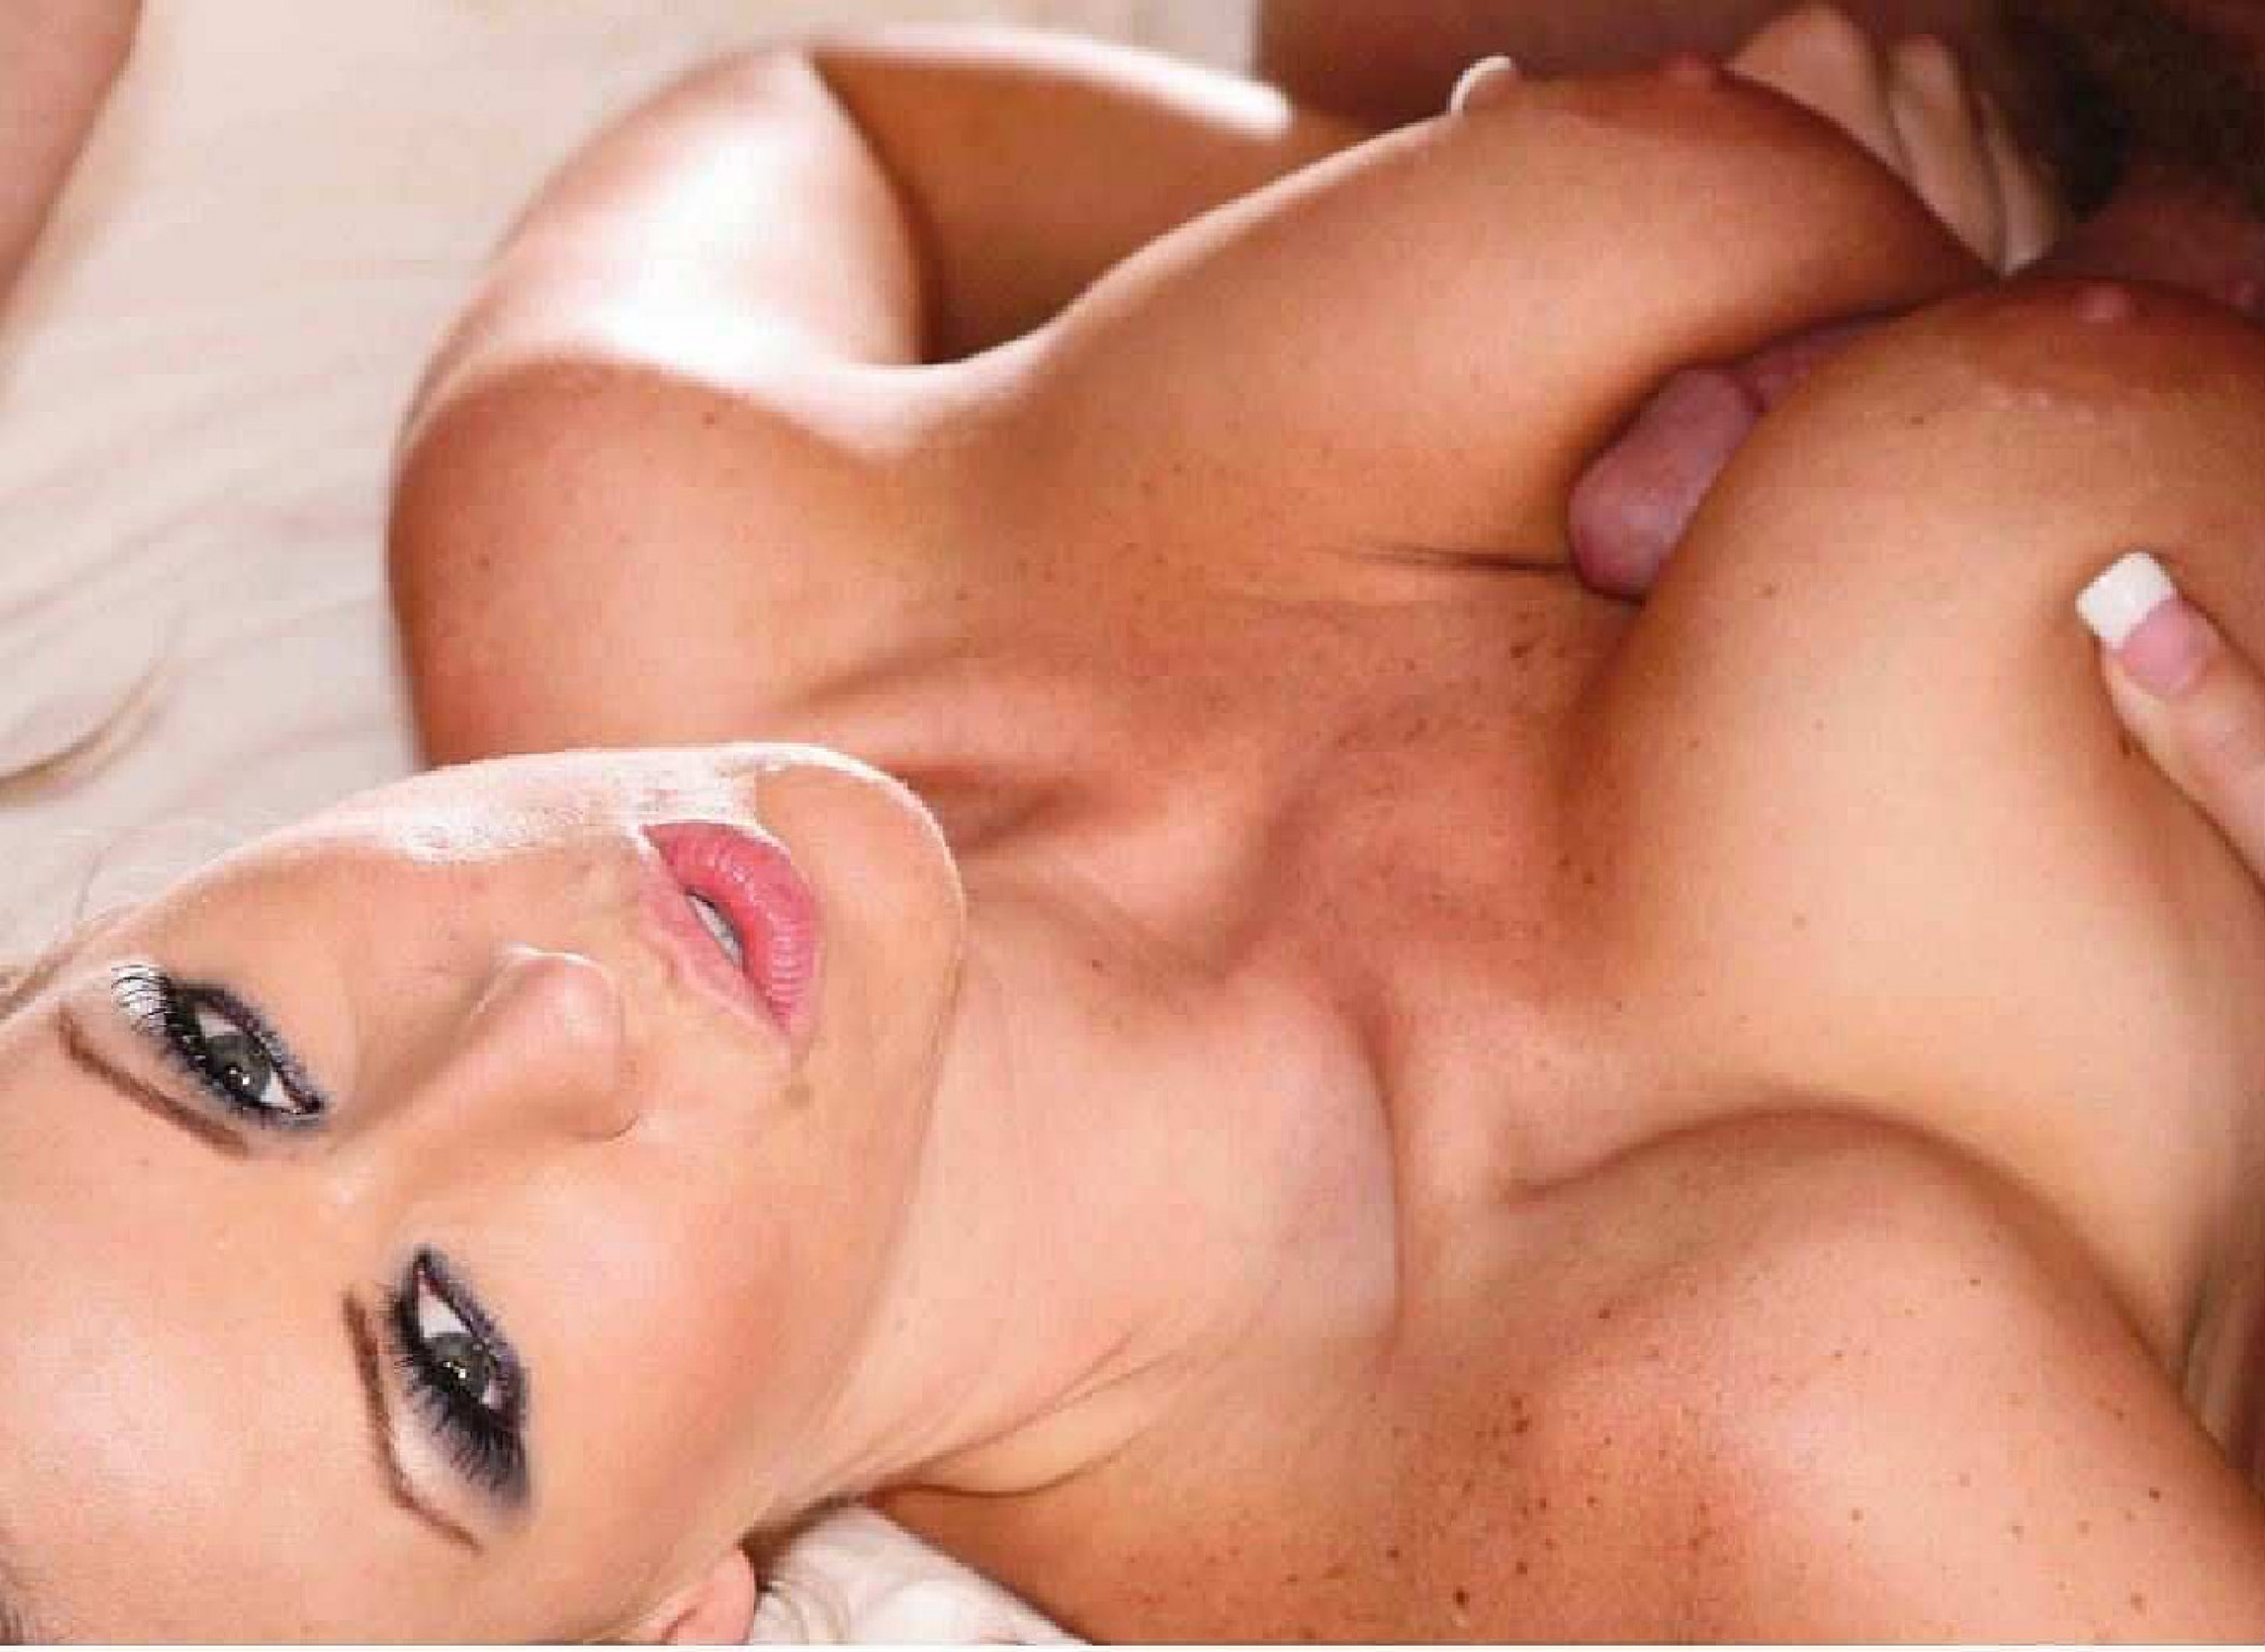

Her husband had been more of a missionary man, so Carolyn thought it was about time she switched things up a bit.

Fresh on the market, Carolyn's looking for more lucky guys to date. Are you interested?

Rayvenness

Tapping Her Wild Side

Rayvenness isn't someone who would strike you as having a wild side. She's PTA poster material, a Republican and her favorite color is grey. What few people know is that under her modest business suits, she's wearing very naughty underwear and her taste in men is more James Dean than Bob Dole. In fact, she likes her men wild, and beyond that, age doesn't matter. She's dated young and old alike; the only thing she cares about is how well their equipment works, as she doesn't have time for duds.

Typically, it's difficult for her to break out of character, but in bed, she turns into a completely different person. This is a woman who'll leave you drained.

Just because she's older
doesn't mean she isn't any
less nasty. Some of the
things she gets up to would
make some people nervous.

When she has a cock buried in her snatch, there's nothing conservative about how she moves. She's greedy and wants each and every inch inside of her.

Older Women Fantasies

Older women? What about wiser, wilder, wanton women? Because I'm quite prepared to admit that I have every intention of becoming a dirty old woman. Of course I use the word "dirty" rather loosely. I suppose what I really mean is that I expect to still be interested in all things sexual (and essentially all things kinky) right to the bitter end! I've certainly become more passionate with age and more interested in experimentation. Don't get me wrong—I've always been highly sexed but it's only in recent years that I've developed the poise, the self-assurance, to be comfortable with my downright horniness! And while I still enjoy "vanilla sex", I enjoy even more exploring my naturally kinky nature and if it's with a man who's younger than me (sometimes CONSIDERABLY younger than me) then so much the better. These days I find myself indulging in all kinds of sexual fantasies in all kinds of places.
